A CATALOGUE

of the Founts reconſtructed from the Specimen of

WILLIAM CASLON

Letter-Founder, in Chiſwell-Street, London, 1734

Every face in every version: Roman and Italic, each as a clean (averaged) font and as an Impression font (one typical real impression). Characters are shown in order at a readable size, with what each font lacks and a line at the body measured on the 1734 sheet. Nothing is drawn from any other typeface.
